**PREFERRED PROVIDER ORGANIZATION
CERTIFICATE OF COVERAGE**

Issued by

Capital District Physicians' Health Plan, Inc.

This Certificate of Coverage ("Certificate") explains the benefits available to You under a Contract between CDPHP UBI (hereinafter referred to as "We", "Us" or "Our") and the Contractholder. This Certificate is not a contract between You and Us. Amendments, riders or endorsements may be delivered with the Certificate or added thereafter.

You have the right to return this Certificate. Examine it carefully. If You are not satisfied, You may return this Certificate to Us and ask Us to cancel it. Your request must be made in writing within ten (10) days from the date You receive this Certificate. We will refund any Premium paid including any Certificate fees or other charges.

This Certificate offers You the option to receive Covered Services on two benefit levels:

- 1. In-Network Benefits.** In-network benefits are the highest level of coverage available. In-network benefits apply when Your care is provided by Participating Providers in Our CDPHP UBI network. You should always consider receiving health care services first through the in-network benefits portion of this Certificate.
- 2. Out-of-Network Benefits.** The out-of-network benefits portion of this Certificate provides coverage when You receive Covered Services from Non-Participating Providers. Your out-of-pocket expenses will be higher when You receive out-of-network benefits. In addition to Cost-Sharing, You will also be responsible for paying any difference between the Allowed Amount and the Non-Participating Provider's charge.

READ THIS ENTIRE CERTIFICATE CAREFULLY. IT DESCRIBES THE BENEFITS AVAILABLE UNDER THE CONTRACT. IT IS YOUR RESPONSIBILITY TO UNDERSTAND THE TERMS AND CONDITIONS IN THIS CERTIFICATE.

This Certificate is governed by the laws of New York State.

SECTION II

How Your Coverage Works

A. Your Coverage Under this Certificate.

Your school (referred to as the “Contractholder”) has purchased a Contract from Us. We will provide the benefits described in this Certificate to covered Members of the school, that is, to a Student and his or her Covered Dependents. However, this Certificate is not a contract between You and Us. You should keep this Certificate with Your other important papers so that it is available for Your future reference.

B. Covered Services.

You will receive Covered Services under the terms and conditions of this Certificate only when the Covered Service is:

- Medically Necessary;
- Listed as a Covered Service;
- Not in excess of any benefit limitations described in the Schedule of Benefits section of this Certificate and
- Received while Your Certificate is in force.

C. Participating Providers.

To find out if a Provider is a Participating Provider, and for details about licensure and training:

- Check Your Provider directory, available at Your request;
- Call the number on Your ID card; or
- Visit Our website at www.cdphp.com.

D. Preferred Providers.

Some Participating Providers are also Preferred Providers. Certain services may be obtained from Preferred Providers. See the Schedule of Benefits section of this Certificate for coverage of Preferred Provider services.

E. The Role of Primary Care Physicians.

This Certificate does not have a gatekeeper, usually known as a Primary Care Physician (“PCP”).

You may need to request Preauthorization before You receive certain services. See the Schedule of Benefits section of this Certificate for the services that require Preauthorization.

F. Out-of-Network Services.

We Cover the services of Non-Participating Providers outside Our Service Area. See the Schedule of Benefits section of this Certificate for the Non-Participating Provider services that are Covered. In any case where benefits are limited to a certain number of days or visits, such limits apply in the aggregate to in-network and out-of-network services.

G. Services Subject to Preauthorization.

Our Preauthorization is required before You receive certain Covered Services. You are responsible for requesting Preauthorization for the in-network and out-of-network services listed in the Schedule of Benefits section of this Certificate.

H. Preauthorization/Notification Procedure.

If You seek coverage for services that require Preauthorization or notification, You must call Us at the number on Your ID card.

After receiving a request for approval, We will review the reasons for Your planned treatment and determine if benefits are available. Criteria will be based on multiple sources which may include medical policy, clinical guidelines, and pharmacy and therapeutic guidelines.

I. Failure to Seek Preauthorization or Provide Notification.

If You fail to seek Our Preauthorization or provide notification for benefits subject to this section, We will pay an amount of \$500 less than We would otherwise have paid for the care, or We will pay only 50% of the amount We would otherwise have paid for the care, whichever results in a greater benefit for You. You must pay the remaining charges. We will pay the amount specified above only if We determine the care was Medically Necessary even though You did not seek Our Preauthorization or provide notification. If We determine that the services were not Medically Necessary, You will be responsible for paying the entire charge for the service.

J. Medical Management.

The benefits available to You under this Certificate are subject to pre-service, concurrent and retrospective reviews to determine when services should be covered by Us. The purpose of these reviews is to promote the delivery of cost-effective medical care by reviewing the use of procedures and, where appropriate, the setting or place the services are performed. Covered Services must be Medically Necessary for benefits to be provided.

K. Medical Necessity.

We Cover benefits described in this Certificate as long as the health care service, procedure, treatment, test, device, Prescription Drug or supply (collectively, "service") is Medically Necessary. The fact that a Provider has furnished, prescribed, ordered, recommended, or approved the service does not make it Medically Necessary or mean that We have to Cover it.

We may base Our decision on a review of:

- Your medical records;
- Our medical policies and clinical guidelines;
- Medical opinions of a professional society, peer review committee or other groups of Physicians;
- Reports in peer-reviewed medical literature;
- Reports and guidelines published by nationally-recognized health care organizations that include supporting scientific data;
- Professional standards of safety and effectiveness, which are generally-recognized in the United States for diagnosis, care, or treatment;
- The opinion of Health Care Professionals in the generally-recognized health specialty involved;
- The opinion of the attending Providers, which have credence but do not overrule contrary opinions.

Services will be deemed Medically Necessary only if:

- They are clinically appropriate in terms of type, frequency, extent, site, and duration, and considered effective for Your illness, injury, or disease;

- They are required for the direct care and treatment or management of that condition;
- Your condition would be adversely affected if the services were not provided;
- They are provided in accordance with generally-accepted standards of medical practice;
- They are not primarily for the convenience of You, Your family, or Your Provider;
- They are not more costly than an alternative service or sequence of services, that is at least as likely to produce equivalent therapeutic or diagnostic results;
- When setting or place of service is part of the review, services that can be safely provided to You in a lower cost setting will not be Medically Necessary if they are performed in a higher cost setting. For example we will not provide coverage for an inpatient admission for surgery if the surgery could have been performed on an outpatient basis.

See the Utilization Review and External Appeal sections of this Certificate for Your right to an internal Appeal and external appeal of Our determination that a service is not Medically Necessary.

L. Protection from Surprise Bills.

A surprise bill is a bill You receive in the following circumstances:

- For services performed by a non-participating Physician at a participating Hospital or Ambulatory Surgical Center, when:
 - A participating Physician is unavailable at the time the health care services are performed;
 - A non-participating Physician performs services without Your knowledge; or
 - Unforeseen medical issues or services arise at the time the health care services are performed.

A surprise bill does not include a bill for health care services when a participating Physician is available and You elected to receive services from a non-participating Physician.

- You were referred by a participating Physician to a Non-Participating Provider without Your explicit written consent acknowledging that the Referral is to a Non-Participating Provider and it may result in costs not covered by Us.

You will be held harmless for any non-participating Physician charges for the surprise bill that exceed Your In-Network Copayment, Coinsurance or Deductible if You assign benefits to the non-participating Physician in writing. In such cases, the non-participating Physician may only bill You for Your In-Network Copayment, Coinsurance or Deductible.

M. Case Management.

Case management helps coordinate services for Members with health care needs due to serious, complex, and/or chronic health conditions. Our programs coordinate benefits and educate Members who agree to take part in the case management program to help meet their health-related needs.

Our case management programs are confidential and voluntary. These programs are given at no extra cost to You and do not change Covered Services. If You meet program criteria and agree to take part, We will help You meet Your identified health care needs. This is reached through contact and team work with You and/or Your authorized representative, treating Physician(s), and other Providers. In addition, We may assist in coordinating care with existing

community-based programs and services to meet Your needs, which may include giving You information about external agencies and community-based programs and services.

In certain cases of severe or chronic illness or injury, We may provide benefits for alternate care through Our case management program that is not listed as a Covered Service. We may also extend Covered Services beyond the benefit maximums of this Certificate. We will make Our decision on a case-by-case basis if We determine the alternate or extended benefit is in the best interest of You and Us.

Nothing in this provision shall prevent You from appealing Our decision. A decision to provide extended benefits or approve alternate care in one case does not obligate Us to provide the same benefits again to You or to any other Member. We reserve the right, at any time, to alter or stop providing extended benefits or approving alternate care. In such case, We will notify You or Your representative in writing.

SECTION III

Access to Care and Transitional Care

A. When Your Provider Leaves the Network.

If You are in an ongoing course of treatment when Your Provider leaves Our network, then You may be able to continue to receive Covered Services for the ongoing treatment from the former Participating Provider for up to 90 days from the date Your Provider's contractual obligation to provide services to You terminates. If You are pregnant and in Your second or third trimester, You may be able to continue care with a former Participating Provider through delivery and any postpartum care directly related to the delivery.

In order for You to continue to receive Covered Services for up to 90 days or through a pregnancy with a former Participating Provider, the Provider must agree to accept as payment the negotiated fee that was in effect just prior to the termination of our relationship with the Provider. The Provider must also agree to provide Us necessary medical information related to Your care and adhere to our policies and procedures, including those for assuring quality of care, obtaining Preauthorization, Referrals, and a treatment plan approved by Us. If the Provider agrees to these conditions, You will receive the Covered Services as if they were being provided by a Participating Provider. You will be responsible only for any applicable in-network Cost-Sharing. Please note that if the Provider was terminated by Us due to fraud, imminent harm to patients or final disciplinary action by a state board or agency that impairs the Provider's ability to practice, continued treatment with that Provider is not available.

B. New Members In a Course of Treatment.

If You are in an ongoing course of treatment with a Non-Participating Provider when Your coverage under this Certificate becomes effective, You may be able to receive Covered Services for the ongoing treatment from the Non-Participating Provider for up to 60 days from the effective date of Your coverage under this Certificate. This course of treatment must be for a life-threatening disease or condition or a degenerative and disabling condition or disease. You may also continue care with a Non-Participating Provider if You are in the second or third trimester of a pregnancy when Your coverage under this Certificate becomes effective. You may continue care through delivery and any post-partum services directly related to the delivery.

In order for You to continue to receive Covered Services for up to 60 days or through pregnancy, the Non-Participating Provider must agree to accept as payment Our fees for such services. The Provider must also agree to provide Us necessary medical information related to Your care and to adhere to Our policies and procedures including those for assuring quality of care, obtaining Preauthorization, Referrals, and a treatment plan approved by Us. If the Provider agrees to these conditions, You will receive the Covered Services as if they were being provided by a Participating Provider. You will be responsible only for any applicable in-network Cost-Sharing.

SECTION IV

Cost-Sharing Expenses and Allowed Amount

A. Deductible.

Except where stated otherwise, You must pay the amount in the Schedule of Benefits section of this Certificate for Covered in-network and out-of-network Services during each Plan Year before We provide coverage. If You have other than individual coverage, the individual Deductible applies to each person covered under this Certificate. Once a person within a family meets the individual Deductible, no further Deductible is required for the person that has met the individual Deductible for that Plan Year. However, after Deductible payments for persons covered under this Certificate collectively total the family Deductible amount in the Schedule of Benefits section of this Certificate in a Plan Year, no further Deductible will be required for any person covered under this Certificate for that Plan Year.

You have a separate In-Network and Out-of-Network Deductible. Cost-Sharing for out-of-network services does not apply toward Your In-Network Deductible. Cost-Sharing for in-network services does not apply toward Your Out-of-Network Deductible. **Any charges of a Non-Participating Provider that are in excess of the Allowed Amount do not apply toward the Deductible.**

B. Copayments.

Except where stated otherwise, after You have satisfied the Deductible as described above, You must pay the Copayments, or fixed amounts, in the Schedule of Benefits section of this Certificate for Covered in-network and out-of-network Services. However, when the Allowed Amount for a service is less than the Copayment, You are responsible for the lesser amount.

C. Coinsurance.

Except where stated otherwise, after You have satisfied the Deductible described above, You must pay a percentage of the Allowed Amount for Covered Services. We will pay the remaining percentage of the Allowed Amount as Your in-network or out-of-network benefit as shown in the Schedule of Benefits section of this Certificate. **You must also pay any charges of a Non-Participating Provider that are in excess of the Allowed Amount.**

D. In-Network Out-of-Pocket Limit.

When You have met Your In-Network Out-of-Pocket Limit in payment of Copayments, Deductibles and Coinsurance for a Plan Year in the Schedule of Benefits section of this Certificate, We will provide coverage for 100% of the Allowed Amount for Covered in-network Services for the remainder of that Plan Year. If You have other than individual coverage, the individual In-Network Out-of-Pocket Limit applies to each person covered under this Certificate. Once a person within a family meets the individual In-Network Out-of-Pocket Limit, We will provide coverage for 100% of the Allowed Amount for the rest of that Plan Year for that person. If other than individual coverage applies, when persons in the same family covered under this Certificate have collectively met the family In-Network Out-of-Pocket Limit in payment of In-Network Copayments, Deductibles and Coinsurance for a Plan Year in the Schedule of Benefits section of this Certificate, We will provide coverage for 100% of the Allowed Amount for the rest of that Plan Year.

Cost-Sharing for out-of-network services, except for Emergency Services, does not apply toward Your In-Network Out-of-Pocket Limit. The Preauthorization penalty described in the How Form #03-0001-2014

Your Coverage Works section of this Certificate does not apply toward Your In-Network Out-of-Pocket Limit.

E. Out-of-Network Out-of-Pocket Limit.

This Certificate has a separate Out-of-Network Out-of-Pocket Limit in the Schedule of Benefits section of this Certificate for out-of-network benefits. When You have met Your Out-of-Network Out-of-Pocket Limit in payment of Out-of-Network Copayments, Deductibles and Coinsurance for a Plan Year in the Schedule of Benefits section of this Certificate, We will provide coverage for 100% of the Allowed Amount for Covered out-of-network Services for the remainder of that Plan Year. If You have other than individual coverage, the individual Out-of-Network Out-of-Pocket Limit applies to each person covered under this Certificate. Once a person within a family meets the individual Out-of-Network Out-of-Pocket Limit, We will provide coverage for 100% of the Allowed Amount for Covered out-of-network Services for the rest of that Plan Year for that person. If other than individual coverage applies, when persons in the same family covered under this Certificate have collectively met the family Out-of-Network Out-of-Pocket Limit in payment of Out-of-Network Copayments, Deductibles and Coinsurance for a Plan Year in the Schedule of Benefits, section of this Certificate, We will provide coverage for 100% of the Allowed Amount for Covered out-of-network Services for the rest of that Plan Year. **Any charges of a Non-Participating Provider that are in excess of the Allowed Amount do not apply toward Your Out-of-Network Out-of-Pocket Limit.**

Cost-Sharing for in-network services does not apply toward Your Out-of-Network Out-of-Pocket Limit. The Preauthorization penalty described in the How Your Coverage Works section of this Certificate does not apply toward Your Out-of-Network Out-of-Pocket Limit.

F. Your Additional Payments for Out-of-Network Benefits.

When You receive Covered Services from a Non-Participating Provider, in addition to the applicable Copayments, Deductibles and Coinsurance described in the Schedule of Benefits section of this Certificate, You must also pay the amount, if any, by which the Non-Participating Provider's actual charge exceeds Our Allowed Amount. This means that the total of Our coverage and any amounts You pay under Your applicable Copayment, Deductible and Coinsurance may be less than the Non-Participating Provider's actual charge.

When You receive Covered Services from a Non-Participating Provider, We will apply nationally-recognized payment rules to the claim submitted for those services. These rules evaluate the claim information and determine the accuracy of the procedure codes and diagnosis codes for the services You received. Sometimes, applying these rules will change the way that We pay for the services. This does not mean that the services were not Medically Necessary. It only means that the claim should have been submitted differently. For example, Your Provider may have billed using several procedure codes when there is a single code that includes all of the separate procedures. We will make one inclusive payment in that case rather than a separate payment for each billed code. Another example of when We will apply the payment rules to a claim is when You have surgery that involves two surgeons acting as "co-surgeons". Under the payment rules, the claim from each Provider should have a "modifier" on it that identifies it as coming from a co-surgeon. If We receive a claim that does not have the correct modifier, We will change it and make the appropriate payment.

G. Allowed Amount.

"Allowed Amount" means the maximum amount We will pay for the services or supplies covered under this Certificate, before any applicable Copayment, Deductible and Coinsurance amounts

Form #03-0001-2014

are subtracted. We determine Our Allowed Amount as follows:

The Allowed Amount for Participating Providers will be the amount We have negotiated with the Participating Provider, or the Participating Provider's charge, if less.

The Allowed Amount for Non-Participating Providers will be determined as follows:

1. Facilities in Our Service Area.

For Facilities in Our Service Area, the Allowed Amount will be an amount based on Our Participating Provider fee schedule or rate.

2. Facilities Outside Our Service Area.

For Facilities outside Our Service Area, the Allowed Amount will be 80% of the Fair Health rate.

3. For All Other Providers.

For all other Providers, the Allowed Amount will be 80% of the Fair Health rate.

4. Physician-Administered Pharmaceuticals.

For Physician-administered pharmaceuticals, We use gap methodologies that are similar to the pricing methodology used by the Centers for Medicare and Medicaid Services, and produce fees based on published acquisition costs or average wholesale price for the pharmaceuticals. These methodologies are currently created by RJ Health Systems, Thomson Reuters (published in its Red Book), or Us based on an internally developed pharmaceutical pricing resource if the other methodologies have no pricing data available for a Physician-administered pharmaceutical or special circumstances support an upward adjustment to the other pricing methodology.

Our Allowed Amount is not based on UCR. The Non-Participating Provider's actual charge may exceed Our Allowed Amount. You must pay the difference between Our Allowed Amount and the Non-Participating Provider's charge. Contact Us at the number on Your ID card or visit Our website at www.cdphp.com for information on Your financial responsibility when You receive services from a Non-Participating Provider.

We reserve the right to negotiate a lower rate with Non-Participating Providers.

See the Emergency Services and Urgent Care section of this Certificate for the Allowed Amount for an Emergency Condition.

SECTION V

A. Who is Covered Under this Certificate.

You, the Student to whom this Certificate is issued, are covered under this Certificate. Members of Your family may also be covered depending on the type of coverage You selected.

B. Types of Coverage.

We offer the following types of coverage:

- 1. Individual.** If You selected individual coverage, then You are covered.
- 2. Individual and Spouse.** If You selected individual and Spouse coverage, then You and Your Spouse are covered.
- 3. Parent and Child/Children.** If You selected parent and child/children coverage, then You and Your Child or Children, as described below, are covered.
- 4. Family.** If You selected family coverage, then You and Your Spouse and Your Child or Children, as described below, are covered.

C. Children Covered Under this Certificate.

If You selected parent and child/children or family coverage, Children covered under this Certificate include Your natural Children, legally adopted Children, step Children, and Children for whom You are the proposed adoptive parent without regard to financial dependence, residency with You, student status or employment. A proposed adopted Child is eligible for coverage on the same basis as a natural Child during any waiting period prior to the finalization of the Child's adoption. Coverage lasts until the end of the month in which the Child turns 26 years of age. Coverage also includes Children for whom You are a legal guardian if the Children are chiefly dependent upon You for support and You have been appointed the legal guardian by a court order. Foster Children and grandchildren are not Covered.

Any unmarried dependent Child, regardless of age, who is incapable of self-sustaining employment by reason of mental illness, developmental disability, mental retardation (as defined in the New York Mental Hygiene Law), or physical handicap and who became so incapable prior to attainment of the age at which the Child's coverage would otherwise terminate and who is chiefly dependent upon You for support and maintenance, will remain covered while Your insurance remains in force and Your Child remains in such condition. You have 31 days from the date of Your Child's attainment of the termination age to submit an application to request that the Child be included in Your coverage and proof of the Child's incapacity. We have the right to check whether a Child is and continues to qualify under this section.

We have the right to request and be furnished with such proof as may be needed to determine eligibility status of a prospective or covered Student and all other prospective or covered Members in relation to eligibility for coverage under this Certificate at any time.

D. When Coverage Begins.

Coverage under this Certificate will begin as follows:

Form #03-0001-2014

1. If You, the Student, elect coverage before becoming eligible, or within 30 days of becoming eligible for other than a special enrollment period, coverage begins on the date You become eligible, or on the date determined by Your Contractholder. Rensselaer Polytechnic Institute cannot impose waiting periods that exceed 90 days.
2. If You, the Student, do not elect coverage upon becoming eligible or within 30 days of becoming eligible for other than a special enrollment period, You must wait until the Contractholder's next open enrollment period to enroll, except as provided below.
3. If You, the Student, marry while covered, and We receive notice of such marriage within 30 days thereafter, coverage for Your Spouse starts on the first day of the month following such marriage. If We do not receive notice within 30 days of the marriage, You must wait until the Contractholder's next open enrollment period to add Your Spouse.
4. If You, the Student, have a newborn or adopted newborn Child and We receive notice of such birth within 30 days thereafter, coverage for Your newborn starts at the moment of birth; otherwise, coverage begins on the date on which We receive notice. Your adopted newborn Child will be covered from the moment of birth if You take physical custody of the infant as soon as the infant is released from the Hospital after birth and You file a petition pursuant to Section 115-c of the New York Domestic Relations Law within 30 days of the infant's birth; and provided further that no notice of revocation to the adoption has been filed pursuant to Section 115-b of the New York Domestic Relations Law, and consent to the adoption has not been revoked. However, We will not provide Hospital benefits for the adopted newborn's initial Hospital stay if one of the infant's natural parents has coverage for the newborn's initial Hospital stay. If You have individual or individual and Spouse coverage, You must also notify Us of Your desire to switch to parent and child/children or family coverage and pay any additional premium within 30 days of the birth or adoption in order for coverage to start at the moment of birth. Otherwise, coverage begins on the date on which We receive notice and the premium payment.

E. Special Enrollment Periods.

You, Your Spouse or Child can also enroll for coverage within 30 days of the loss of coverage in a health plan if coverage was terminated because You, Your Spouse or Child are no longer eligible for coverage under the other health plan due to:

1. Termination of employment;
2. Termination of the other health plan;
3. Death of the Spouse;
4. Legal separation, divorce or annulment;
5. Reduction of hours of employment;
6. Employer contributions toward a health plan were terminated; or
7. A Child no longer qualifies for coverage as a Child under another health plan.

You, Your Spouse or Child can also enroll 30 days from exhaustion of Your COBRA or continuation coverage.

We must receive notice and premium payment within 30 days of the loss of coverage. The effective date of Your coverage will depend on when We receive Your application. If Your application is received between the first and fifteenth day of the month, Your coverage will begin on the first day of the following month. If Your application is received between the sixteenth day and the last day of the month, Your coverage will begin on the first day of the second month. In addition, You, Your Spouse or Child, can also enroll for coverage within 60 days of the following event:

1. You or Your Spouse or Child loses eligibility for Medicaid or a state child health plan.

We must receive notice and premium payment within 60 days of one of this event.

SECTION VII

Ambulance and Pre-Hospital Emergency Medical Services

Please refer to the Schedule of Benefits section of this Certificate for Cost-Sharing requirements, day or visit limits, and any Preauthorization or Referral requirements that apply to these benefits. Pre-Hospital Emergency Medical Services and ambulance services for the treatment of an Emergency Condition do not require Preauthorization.

A. Emergency Ambulance Transportation.

We Cover Pre-Hospital Emergency Medical Services for the treatment of an Emergency Condition when such services are provided by an ambulance service.

“Pre-Hospital Emergency Medical Services” means the prompt evaluation and treatment of an Emergency Condition and/or non-airborne transportation to a Hospital. The services must be provided by an ambulance service issued a certificate under the New York Public Health Law. We will, however, only Cover transportation to a Hospital provided by such an ambulance service when a prudent layperson, possessing an average knowledge of medicine and health, could reasonably expect the absence of such transportation to result in:

- Placing the health of the person afflicted with such condition or, with respect to a pregnant woman, the health of the woman or her unborn child in serious jeopardy, or in the case of a behavioral condition, placing the health of such person or others in serious jeopardy;
- Serious impairment to such person’s bodily functions;
- Serious dysfunction of any bodily organ or part of such person; or
- Serious disfigurement of such person.

An ambulance service may not charge or seek reimbursement from You for Pre-Hospital Emergency Medical Services except for the collection of any applicable Copayment, Deductible or Coinsurance.

We also Cover emergency ambulance transportation by a licensed ambulance service (either ground, water or air ambulance) to the nearest Hospital where Emergency Services can be performed.

We Cover Pre-Hospital Emergency Medical Services and emergency ambulance transportation worldwide.

B. Non-Emergency Ambulance Transportation.

We Cover non-emergency ambulance transportation by a licensed ambulance service (either ground or air ambulance, as appropriate) between Facilities when the transport is any of the following:

- From a non-participating Hospital to a participating Hospital;
- To a Hospital that provides a higher level of care that was not available at the original Hospital;
- To a more cost-effective Acute care Facility; or
- From an Acute Facility to a sub-Acute setting.

C. Limitations/Terms of Coverage.

- We do not Cover travel or transportation expenses, unless connected to an Emergency Condition or due to a Facility transfer approved by Us, even though prescribed by a Physician.
- We do not Cover non-ambulance transportation such as ambulette, van or taxi cab.
- Coverage for air ambulance related to an Emergency Condition or air ambulance related to non-emergency transportation is provided when Your medical condition is such that transportation by land ambulance is not appropriate; and Your medical condition requires immediate and rapid ambulance transportation that cannot be provided by land ambulance; and one of the following is met:
 - The point of pick-up is inaccessible by land vehicle; or
 - Great distances or other obstacles (for example, heavy traffic) prevent Your timely transfer to the nearest Hospital with appropriate facilities.

SECTION VIII

Emergency Services and Urgent Care

Please refer to the Schedule of Benefits section of this Certificate for Cost-Sharing requirements, day or visit limits, and any Preauthorization or Referral requirements that apply to these benefits.

A. Emergency Services.

We Cover Emergency Services for the treatment of an Emergency Condition in a Hospital.

We define an “**Emergency Condition**” to mean: A medical or behavioral condition that manifests itself by Acute symptoms of sufficient severity, including severe pain, such that a prudent layperson, possessing an average knowledge of medicine and health, could reasonably expect the absence of immediate medical attention to result in:

- Placing the health of the person afflicted with such condition or, with respect to a pregnant woman, the health of the woman or her unborn child in serious jeopardy, or in the case of a behavioral condition, placing the health of such person or others in serious jeopardy;
- Serious impairment to such person’s bodily functions;
- Serious dysfunction of any bodily organ or part of such person; or
- Serious disfigurement of such person.

For example, an Emergency Condition may include, but is not limited to, the following conditions:

- Severe chest pain
- Severe or multiple injuries
- Severe shortness of breath
- Sudden change in mental status (e.g., disorientation)
- Severe bleeding
- Acute pain or conditions requiring immediate attention such as suspected heart attack or appendicitis
- Poisonings
- Convulsions

Coverage of Emergency Services for treatment of Your Emergency Condition will be provided regardless of whether the Provider is a Participating Provider. We will also Cover Emergency Services to treat Your Emergency Condition worldwide. However, We will Cover only those Emergency Services and supplies that are Medically Necessary and are performed to treat or stabilize Your Emergency Condition in a Hospital.

Please follow the instructions listed below regardless of whether or not You are in Our Service Area at the time Your Emergency Condition occurs:

- 1. Hospital Emergency Department Visits.** In the event that You require treatment for an Emergency Condition, seek immediate care at the nearest Hospital emergency department or call 911. Emergency Department Care does not require Preauthorization. However, **only Emergency Services for the treatment of an Emergency Condition are Covered in an emergency department.**

We do not Cover follow-up care or routine care provided in a Hospital emergency department.

- 2. Emergency Hospital Admissions.** In the event that You are **admitted** to the Hospital, You or someone on Your behalf must notify Us at the number listed in this Certificate and on Your ID card within 48 hours of Your admission, or as soon as is reasonably possible.

We Cover inpatient Hospital services at a non-participating Hospital at the in-network Cost-Sharing for as long as Your medical condition prevents Your transfer to a participating Hospital, unless We authorize continued treatment at the non-participating Hospital. If Your medical condition permits Your transfer to a participating Hospital, We will notify You and arrange the transfer. Any inpatient Hospital services received from a non-participating Hospital after we have notified You and arranged for a transfer to a participating Hospital will be Covered at the out-of-network Cost-Sharing.

- 3. Payments Relating to Emergency Services Rendered.** The amount We pay a Non-Participating Provider for Emergency Services will be the greater of: 1) the amount We have negotiated with Participating Providers for the Emergency Service (and if more than one amount is negotiated, the median of the amounts); 2) 100% of the Allowed Amount for services provided by a Non-Participating Provider (i.e., the amount We would pay in the absence of any Cost-Sharing that would otherwise apply for services of Non-Participating Providers); or 3) the amount that would be paid under Medicare. The amounts described above exclude any Copayment or Coinsurance that applies to Emergency Services provided by a Participating Provider. You are responsible for any Copayment, Deductible or Coinsurance. You will be held harmless for any Non-Participating Provider charges that exceed Your Copayment, Deductible or Coinsurance.

B. Urgent Care.

Urgent Care is medical care for an illness, injury or condition serious enough that a reasonable person would seek care right away, but not so severe as to require Emergency Department Care. **Urgent Care is Covered in or out of Our Service Area.**

- 1. In-Network.** We Cover Urgent Care from a participating Physician or a participating Urgent Care Center. You do not need to contact Us prior to or after Your visit.
- 2. Out-of-Network.** We Cover Urgent Care from a non-participating Urgent Care Center outside Our Service Area. We are available 24 hours a day, seven days a week to help You in urgent medical situations.

We do not Cover Urgent Care from non-participating Urgent Care Centers in Our Service Area.

If Urgent Care results in an emergency admission, please follow the instructions for emergency Hospital admissions described above.

We do not Cover: the costs of the investigational drugs or devices; the costs of non-health services required for You to receive the treatment; the costs of managing the research; or costs

that would not be covered under this Certificate for non-investigational treatments provided in the clinical trial.

An "approved clinical trial" means a phase I, II, III, or IV clinical trial that is:

Home Health Care has no visit limitation. Each visit by a member of the Home Health Agency is considered one visit. Each visit of up to four hours by a home health aide is considered one visit. Any Rehabilitation or Habilitation Services received under this benefit will not reduce the amount of services available under the Rehabilitation or Habilitation Services benefits.

Such Coverage is limited to Facilities in New York State that are certified by OASAS or licensed by OASAS as outpatient clinics or medically supervised ambulatory substance abuse programs, and, in other states, to those that are licensed or certified by a similar state agency or which are accredited by the Joint Commission as alcoholism, substance abuse or chemical dependence treatment programs. We also Cover at least 20 outpatient visits per calendar year for family counseling. A family member will be deemed to be covered, for the purposes of this provision, so long as that family member: 1) identifies himself or herself as a family member of a person suffering from substance use and/or dependency; and 2) is covered under the same family Certificate that covers the person receiving, or in need of, treatment for substance use and/or dependency. Our payment for a family member therapy session will be the same amount, regardless of the number of family members who attend the family therapy session.

B. Refills.

We Cover Refills of Prescription Drugs only when dispensed at a retail or mail order or Designated pharmacy as ordered by an authorized Provider. Benefits for Refills will not be provided beyond one year from the original prescription date. For prescription eye drop medication, We allow for the limited refilling of the prescription prior to the last day of the approved dosage period without regard to any coverage restrictions on early Refill of renewals. To the extent practicable, the quantity of eye drops in the early Refill will be limited to the amount remaining on the dosage that was initially dispensed. Your Cost-Sharing for the limited Refill is the amount that applies to each prescription or Refill as set forth in the Schedule of Benefits section of this Certificate.

C. Benefit and Payment Information.

1. Cost-Sharing Expenses. You are responsible for paying the costs outlined in the Schedule of Benefits section of this Certificate when Covered Prescription Drugs are obtained from a retail or mail order or Designated pharmacy.

You have a three tier plan design, which means that Your out-of-pocket expenses will generally be lowest for Prescription Drugs on Tier 1 and highest for Prescription Drugs on Tier 3. Your out-of-pocket expense for Prescription Drugs on Tier 2 will generally be more than for Tier 1 but less than Tier 3.

You are responsible for paying the full cost (the amount the pharmacy charges You) for any non-Covered Prescription Drug, and Our contracted rates (Our Prescription Drug Cost) will not be available to You.

2. Participating Pharmacies. For Prescription Drugs purchased at a retail or mail order-or designated Participating Pharmacy, You are responsible for paying the lower of:

- The applicable Cost-Sharing; or
- The Participating Pharmacy's Usual and Customary Charge (which includes a dispensing fee and sales tax) for the Prescription Drug.

(Your Cost-Sharing will never exceed the Usual and Customary Charge of the Prescription Drug.)

In the event that Our Participating Pharmacies are unable to provide the Covered Prescription Drug, and cannot order the Prescription Drug within a reasonable time, You may, with Our prior written approval, go to a Non-Participating Pharmacy that is able to provide the Prescription

Drug. We will pay You the Prescription Drug Cost for such approved Prescription Drug less Your required in-network Cost-Sharing. Contact Us at the number on Your ID card or visit Our website at www.cdphp.com to request approval.

3. **Non-Participating Pharmacies.** We will not pay for any Prescription Drugs that You purchase at a Non-Participating retail or mail order Pharmacy other than as described above. If You purchase a Prescription Drug from a Non-Participating Pharmacy, You must pay for the Prescription Drug at the time it is dispensed and then file a claim for reimbursement with Us. We will not reimburse You for the difference between what You pay the Non-Participating Pharmacy and Our price for the Prescription Drug. In most cases, You will pay more if You purchase Prescription Drugs from a Non-Participating Pharmacy.
4. **Designated Pharmacies.** If You require certain Prescription Drugs including, but not limited to specialty Prescription Drugs, We may direct You to a Designated Pharmacy with whom We have an arrangement to provide those Prescription Drugs.

Generally, specialty Prescription Drugs are Prescription Drugs that are approved to treat limited patient populations or conditions; are normally injected, infused or require close monitoring by a Provider; or have limited availability, special dispensing and delivery requirements and/or require additional patient supports.

If You are directed to a Designated Pharmacy and You choose not to obtain Your Prescription Drug from a Designated Pharmacy, You will not have coverage for that Prescription Drug.

Following are the therapeutic classes of Prescription Drugs that are included in this program:

- Age related macular edema;
- Anemia, neutropenia, thrombocytopenia;
- Contraceptives;
- Crohn's disease;
- Cystic fibrosis;
- Cytomegalovirus;

- Transplant;
- RSV prevention
- Inherited Autoinflammatory Diseases;
- Phenylketonuria (PKU);
- Ulcerative Colitis

5. Mail Order. Certain Prescription Drugs may be ordered through Our mail order supplier. You are responsible for paying the lower of:

- The applicable Cost-Sharing; or
- The Prescription Drug Cost for that Prescription Drug.

(Your Cost-Sharing will never exceed the Usual and Customary Charge of the Prescription Drug.)

To maximize Your benefit, ask Your Physician to write Your Prescription Order or Refill for a 90-day supply, with Refills when appropriate (not a 30-day supply with three Refills). You may be charged the mail order Cost-Sharing for any Prescription Orders or Refills sent to the mail order supplier regardless of the number of days supply written on the Prescription Order or Refill.

Prescription Drugs purchased through mail order will be delivered directly to Your home or office.

We will provide benefits that apply to drugs dispensed by a mail order pharmacy to drugs that are purchased from a retail pharmacy, including maintenance drugs when that retail pharmacy has a participation agreement with Us and Our vendor in which it agrees to be bound by the same terms and conditions as a participating mail order pharmacy.

You or Your Provider may obtain a copy of the list of Prescription Drugs available through mail order by visiting Our website at www.cdphp.com or by calling the number on Your ID card. The maintenance drug list is updated periodically. Visit Our website at www.cdphp.com or by calling the number on Your ID card to find out if a particular Prescription Drug is on the maintenance list.

6. Tier Status. The tier status of a Prescription Drug may change periodically. Changes will generally be quarterly, but no more than six times per calendar year, based on Our periodic tiering decisions. These changes may occur without prior notice to You. However, if You have a prescription for a drug that is being moved to a higher tier (other than a Brand-Name Drug that becomes available as a Generic as described below) We will notify You. When such changes occur, Your out-of-pocket expense may change. You may access the most up to date tier status on Our website at www.cdphp.com or by

calling the number on Your ID card.

7. **When a Brand-Name Drug Becomes Available as a Generic.** When a Brand-Name Drug becomes available as a Generic, the tier placement of the Brand-Name Prescription Drug may change. If this happens, You no longer have benefits for that particular Brand-Name Drug. Please note, if You are taking a Brand-Name Drug that is being excluded due to a generic becoming available, You will receive advance written notice of the Brand-Name Drug exclusion. If coverage is denied, You are entitled to an Appeal as outlined in the Utilization Review and External Appeal sections of this Certificate.
8. **Formulary Exception Process.** If a Prescription Drug is not on Our Formulary, You may request a Formulary exception for a clinically-appropriate Prescription Drug. Visit Our website at www.cdphp.com or by calling the number on Your ID card to find out more about this process.
9. **Supply Limits.** We will pay for no more than a 30-day supply of a Prescription Drug purchased at a retail pharmacy or Designated Pharmacy. You are responsible for one Cost-Sharing amount for up to a 30-day supply.

Benefits will be provided for drugs dispensed by a mail order pharmacy in a quantity of up to a 90-day supply. You are responsible for one Cost-Share amount for a 30-day supply up to a maximum of two and a half Cost-Share amounts for a 90-day supply. Some Prescription Drugs may be subject to quantity limits based on criteria that We have developed, subject to Our periodic review and modification. The limit may restrict the amount dispensed per Prescription Order or Refill and/or the amount dispensed per month's supply. You can determine whether a Prescription Drug has been assigned a maximum quantity level for dispensing by accessing Our website at www.cdphp.com or by calling the number on Your ID card. If We deny a request to Cover an amount that exceeds Our quantity level, You are entitled to an Appeal pursuant to the Utilization Review and External Appeal sections of this Certificate

10. **Cost-Sharing for Orally-Administered Anti-Cancer Drugs.** Your Cost-Sharing for orally-administered anti-cancer drugs is the lesser of the applicable Prescription Drug Cost-Sharing amount specified in the Schedule of Benefits section of this Certificate or the Cost-Sharing amount, if any, that applies to intravenous or injectable chemotherapy agents Covered under the Outpatient and Professional Services section of this Certificate.

D. Medical Management.

This Certificate includes certain features to determine when Prescription Drugs should be Covered, which are described below. As part of these features, Your prescribing Provider may be asked to give more details before We can decide if the Prescription Drug is Medically Necessary.

- 1. Preauthorization.** Preauthorization may be needed for certain Prescription Drugs to make sure proper use and guidelines for Prescription Drug coverage are followed. When appropriate, Your Provider will be responsible for obtaining Preauthorization for the Prescription Drug.

For a list of Prescription Drugs that need Preauthorization, please visit Our website at www.cdphp.com or by calling the number on Your ID card. The list will be reviewed and updated from time to time. We also reserve the right to require Preauthorization for any new Prescription Drug on the market or for any currently available Prescription Drug which undergoes a change in prescribing protocols and/or indications regardless of the therapeutic classification, including if a Prescription Drug or related item on the list is not Covered under Your Certificate. Your Provider may check with Us to find out which Prescription Drugs are Covered.

2. Step Therapy. Step therapy is a process in which You may need to use one type of Prescription Drug before We will Cover another as Medically Necessary. We check certain Prescription Drugs to make sure that proper prescribing guidelines are followed. These guidelines help You get high quality and cost-effective Prescription Drugs. The Prescription Drugs that require Preauthorization under the step therapy program are also included on the Preauthorization drug list.

3. Therapeutic Substitution. Therapeutic substitution is an optional program that tells You and Your Providers about alternatives to certain prescribed drugs. We may contact You and Your Provider to make You aware of these choices. Only You and Your Provider can determine if the therapeutic substitute is right for You. We have a therapeutic drug substitutes list, which We review and update from time to time. For questions or issues about therapeutic drug substitutes, visit Our website at www.cdphp.com or by calling the number on Your ID card.

E. Limitations/Terms of Coverage.

1. We reserve the right to limit quantities, day supply, early Refill access and/or duration of therapy for certain medications based on Medical Necessity including acceptable medical standards and/or FDA recommended guidelines.
2. If We determine that You may be using a Prescription Drug in a harmful or abusive manner, or with harmful frequency, Your selection of Participating Pharmacies may be limited. If this happens, We may require You to select a single Participating Pharmacy that will provide and coordinate all future pharmacy services. Benefits will be paid only if You use the selected single Participating Pharmacy. If You do not make a selection within 31 days of the date We notify You, We will select a single Participating Pharmacy for You.
3. Compounded Prescription Drugs will be Covered only when they contain at least one ingredient that is a Covered legend Prescription Drug, and are obtained from a pharmacy that is approved for compounding. All compounded Prescription Drugs require Your Provider to obtain Preauthorization. Compounded Prescription Drugs are on tier 3.
4. Various specific and/or generalized “use management” protocols will be used from time to time in order to ensure appropriate utilization of medications. Such protocols will be consistent with standard medical/drug treatment guidelines. The primary goal of the protocols is to provide Our Members with a quality-focused Prescription Drug benefit.

In the event a use management protocol is implemented, and You are taking the drug(s) affected by the protocol, You will be notified in advance.

5. Injectable drugs (other than self-administered injectable drugs) and diabetic insulin, oral hypoglycemics, and diabetic supplies and equipment are not Covered under this section but are Covered under other sections of this Certificate.
6. We do not Cover charges for the administration or injection of any Prescription Drug. Prescription Drugs given or administered in a Physician's office are Covered under the Outpatient and Professional Services section of this Certificate.
7. We do not Cover drugs that do not by law require a prescription, except for smoking cessation drugs or as otherwise provided in this Certificate. We do not Cover Prescription Drugs that have over-the-counter non-prescription equivalents, except if specifically designated as Covered in the drug Formulary. Non-prescription equivalents are drugs available without a prescription that have the same name/chemical entity as their prescription counterparts.
8. We do not Cover Prescription Drugs to replace those that may have been lost or stolen.
9. We do not Cover Prescription Drugs dispensed to You while in a Hospital, nursing home, other institution, Facility, or if You are a home care patient, except in those cases where the basis of payment by or on behalf of You to the Hospital, nursing home, Home Health Agency or home care services agency, or other institution, does not include services for drugs.
10. We reserve the right to deny benefits as not Medically Necessary or experimental or investigational for any drug prescribed or dispensed in a manner contrary to standard medical practice. If coverage is denied, You are entitled to an Appeal as described in the Utilization Review and External Appeal sections of this Certificate.
11. A pharmacy need not dispense a Prescription Order that, in the pharmacist's professional judgment, should not be filled.

F. General Conditions.

1. You must show Your ID card to a retail pharmacy at the time You obtain Your Prescription Drug or You must provide the pharmacy with identifying information that can be verified by Us during regular business hours. You must include Your identification number on the forms provided by the mail order pharmacy from which You make a purchase.

2. Drug Utilization, Cost Management and Rebates. We conduct various utilization management activities designed to ensure appropriate Prescription Drug usage, to avoid inappropriate usage, and to encourage the use of cost-effective drugs. Through these efforts, You benefit by obtaining appropriate Prescription Drugs in a cost-effective manner. The cost savings resulting from these activities are reflected in the premiums for Your coverage. We may also, from time to time, enter into agreements that result in Us receiving rebates or other funds ("rebates") directly or indirectly from Prescription Drug manufacturers, Prescription Drug distributors or others. Any rebates are based upon utilization of Prescription Drugs across all of Our business and not solely on any one Member's utilization of Prescription Drugs. Any rebates

received by Us may or may not be applied, in whole or part, to reduce premiums either through an adjustment to claims costs or as an adjustment to the administrative expenses component of Our Prescription Drug premiums. Instead, any such rebates may be retained by Us, in whole or part, in order to fund such activities as new utilization management activities, community benefit activities and increasing reserves for the protection of Members. Rebates will not change or reduce the amount of any Copayment or Coinsurance applicable under Our Prescription Drug coverage.

G. Definitions.

Terms used in this section are defined as follows. (Other defined terms can be found in the Definitions section of this Certificate).

- 2. The fact that a pharmacy is a Participating Pharmacy does not mean that it is a Designated Pharmacy.

This list is subject to Our periodic review and modification (generally quarterly, but no more than six times per calendar year). You may determine to which tier a particular Prescription Drug has been assigned by visiting Our website at www.cdphp.com or by calling the number on Your ID card.

- 8. Prescription Drug Cost:** The rate We have agreed to pay Our Participating Pharmacies, including a dispensing fee and any sales tax, for a Covered Prescription Drug dispensed at a Participating Pharmacy. If Your Certificate includes coverage at Non-Participating Pharmacies, the Prescription Drug Cost for a Prescription Drug dispensed at a Non-Participating Pharmacy is calculated using the Prescription Drug Cost that applies for that particular Prescription Drug at most Participating Pharmacies.
- 9. Prescription Order or Refill:** The directive to dispense a Prescription Drug issued by a duly licensed Health Care Professional who is acting within the scope of his or her practice.
- 10. Usual and Customary Charge:** The usual fee that a pharmacy charges individuals for a Prescription Drug without reference to reimbursement to the pharmacy by third parties as required by Section 6826-a of the New York Education Law.

Claims for services must be submitted to Us for payment within 120 days after You receive the services for which payment is being requested. If it is not reasonably possible to submit a claim within the 120 days period, You must submit it as soon as reasonably possible.

D. Claims for Prohibited Referrals.

We are not required to pay any claim, bill or other demand or request by a Provider for clinical laboratory services, pharmacy services, radiation therapy services, physical therapy services or x-ray or imaging services furnished pursuant to a referral prohibited by Section 238-a(1) of the New York Public Health Law.

E. Claim Determinations.

Our claim determination procedure applies to all claims that do not relate to a Medical Necessity or experimental or investigational determination. For example, Our claim determination procedure applies to contractual benefit denials. If You disagree with Our claim determination, You may submit a Grievance pursuant to the Grievance section of this Certificate.

For a description of the Utilization Review procedures and Appeal process for Medical Necessity or experimental or investigational determinations, see the Utilization Review and External Appeal sections of this Certificate.

F. Pre-Service Claim Determinations.

1. A pre-service claim is a request that a service or treatment be approved before it has been received. If We have all the information necessary to make a determination regarding a pre-service claim (e.g., a covered benefit determination), We will make a

determination and provide notice to You (or Your designee) within 15 days from receipt of the claim.

If We need additional information, We will request it within 15 days from receipt of the claim. You will have 45 calendar days to submit the information. If We receive the information within 45 days, We will make a determination and provide notice to You (or Your designee) in writing, within 15 days of Our receipt of the information. If all necessary information is not received within 45 days, We will make a determination within 15 calendar days of the end of the 45 day period.

- 2. Urgent Pre-Service Reviews.** With respect to urgent pre-service requests, if We have all information necessary to make a determination, We will make a determination and provide notice to You (or Your designee) by telephone, within 72 hours of receipt of the request. Written notice will follow within three (3) calendar days of the decision. If We need additional information, We will request it within 24 hours. You will then have 48 hours to submit the information. We will make a determination and provide notice to You (or Your designee) by telephone within 48 hours of the earlier of Our receipt of the information or the end of the 48-hour time period. Written notice will follow within three (3) calendar days of the decision.

G. Post-Service Claim Determinations.

A post-service claim is a request for a service or treatment that You have already received. If We have all information necessary to make a determination regarding a post-service claim, We will make a determination and notify You (or Your designee) within 30 calendar days of the receipt of the claim. If We need additional information, We will request it within 30 calendar days. You will then have 45 calendar days to provide the information. We will make a determination and provide notice to You (or Your designee) in writing within 15 calendar days of the earlier of Our receipt of the information or the end of the 45 day period.

SECTION XVIII

Grievance Procedures

A. Grievances.

Our Grievance procedure applies to any issue not relating to a Medical Necessity or experimental or investigational determination by Us. For example, it applies to contractual benefit denials or issues or concerns You have regarding Our administrative policies or access to providers.

B. Filing a Grievance.

You can contact Us by phone at the number on Your ID card, in person, or in writing to file a Grievance. You may submit an oral Grievance in connection with a denial of a Referral or a covered benefit determination. We may require that You sign a written acknowledgement of Your oral Grievance, prepared by Us. You or Your designee has up to 180 calendar days from when You received the decision You are asking Us to review to file the Grievance.

When We receive Your Grievance, We will mail an acknowledgment letter within 15 business days. The acknowledgment letter will include the name, address, and telephone number of the person handling Your Grievance, and indicate what additional information, if any, must be provided.

We keep all requests and discussions confidential and We will take no discriminatory action because of Your issue. We have a process for both standard and expedited Grievances, depending on the nature of Your inquiry.

C. Grievance Determination.

Qualified personnel will review Your Grievance, or if it is a clinical matter, a licensed, certified or registered Health Care Professional will look into it. We will decide the Grievance and notify You within the following timeframes:

Expedited/Urgent Grievances:	By phone, within the earlier of 48 hours of receipt of all necessary information or 72 hours of receipt of Your Grievance. Written notice will be provided within 72 hours of receipt of Your Grievance.

SECTION XIX

Utilization Review

A. Utilization Review.

We review health services to determine whether the services are or were Medically Necessary or experimental or investigational ("Medically Necessary"). This process is called Utilization Review. Utilization Review includes all review activities, whether they take place prior to the service being performed (Preauthorization); when the service is being performed (concurrent); or after the service is performed (retrospective). If You have any questions about the Utilization Review process, please call the number on Your ID card. The toll-free telephone number is available at least 40 hours a week with an after-hours answering machine.

All determinations that services are not Medically Necessary will be made by: 1) licensed Physicians; or 2) licensed, certified, registered or credentialed Health Care Professionals who are in the same profession and same or similar specialty as the Provider who typically manages Your medical condition or disease or provides the health care service under review. We do not compensate or provide financial incentives to Our employees or reviewers for determining that services are not Medically Necessary. We have developed guidelines and protocols to assist Us in this process. Specific guidelines and protocols are available for Your review upon request. For more information, call the number on Your ID card or visit Our website at www.cdphp.com.

B. Preauthorization Reviews.

1. If We have all the information necessary to make a determination regarding a Preauthorization review, We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone and in writing, within three (3) business days of receipt of the request.

If We need additional information, We will request it within three (3) business days. You or Your Provider will then have 45 calendar days to submit the information. If We receive the requested information within 45 days, We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone and in writing, within three (3) business days of Our receipt of the information. If all necessary information is not received within 45 days, We will make a determination within 15 calendar days of the end of the 45 day period.

2. **Urgent Preauthorization Reviews.** With respect to urgent Preauthorization requests, if We have all information necessary to make a determination, We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone, within 72 hours of receipt of the request. Written notice will be provided within three (3) business days of receipt of the request. If We need additional information, We will request it within 24 hours. You or Your Provider will then have 48 hours to submit the information. We will make a determination and provide notice to You (or Your designee) and Your Provider by telephone and in writing within 48 hours of the earlier of Our receipt of the information or the end of the 48 hour time period.

After receiving a request for coverage of home care services following an inpatient Hospital admission, We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone and in writing, within one (1) business day of receipt of the necessary information. If the day following the request falls on a weekend

or holiday, We will make a determination and provide notice to You (or Your designee) and Your Provider within 72 hours of receipt of the necessary information. When We receive a request for home care services and all necessary information prior to Your discharge from an inpatient hospital admission, We will not deny coverage for home care services while Our decision on the request is pending.

C. Concurrent Reviews.

1. Utilization review decisions for services during the course of care (concurrent reviews) will be made, and notice provided to You (or Your designee) and Your Provider, by telephone and in writing, within one (1) business day of receipt of all necessary information. If We need additional information, We will request it within one (1) business day. You or Your Provider will then have 45 calendar days to submit the information. We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone and in writing, within one (1) business day of Our receipt of the information or, if We do not receive the information, within 15 calendar days of the end of the 45-day time period.
2. **Urgent Concurrent Reviews.** For concurrent reviews that involve an extension of urgent care, if the request for coverage is made at least 24 hours prior to the expiration of a previously approved treatment, We will make a determination and provide notice to You (or Your designee) and Your Provider by telephone within 24 hours of receipt of the request. Written notice will be provided within one (1) business day of receipt of the request.

If the request for coverage is not made at least 24 hours prior to the expiration of a previously approved treatment and We have all the information necessary to make a determination, We will make a determination and provide written notice to You (or Your designee) and Your Provider within the earlier of 72 hours or one (1) business day of receipt of the request. If We need additional information, We will request it within 24 hours. You or Your Provider will then have 48 hours to submit the information. We will make a determination and provide written notice to You (or Your designee) and Your Provider within the earlier of one (1) business day or 48 hours of Our receipt of the information or, if we do not receive the information, within 48 hours of the end of the 48-hour time period.

D. Retrospective Reviews.

If We have all information necessary to make a determination regarding a retrospective claim, We will make a determination and notify You and Your Provider within 30 calendar days of the receipt of the request. If We need additional information, We will request it within 30 calendar days. You or Your Provider will then have 45 calendar days to provide the information. We will make a determination and provide notice to You and Your Provider in writing within 15 calendar days of the earlier of Our receipt of the information or the end of the 45-day period.

Once We have all the information to make a decision, Our failure to make a Utilization Review determination within the applicable time frames set forth above will be deemed an adverse determination subject to an internal Appeal.

E. Retrospective Review of Preauthorized Services.

We may only reverse a preauthorized treatment, service or procedure on retrospective review when:

Form #03-0001-2014

- The relevant medical information presented to Us upon retrospective review is materially different from the information presented during the Preauthorization review;
- The relevant medical information presented to Us upon retrospective review existed at the time of the Preauthorization but was withheld or not made available to Us;
- We were not aware of the existence of such information at the time of the Preauthorization review; and
- Had We been aware of such information, the treatment, service or procedure being requested would not have been authorized. The determination is made using the same specific standards, criteria or procedures as used during the Preauthorization review.

F. Reconsideration.

If We did not attempt to consult with Your Provider before making an adverse determination, Your Provider may request reconsideration by the same clinical peer reviewer who made the adverse determination. For Preauthorization and concurrent reviews, the reconsideration will take place within one (1) business day of the request for reconsideration. If the adverse determination is upheld, a notice of adverse determination will be given to You and Your Provider, by telephone and in writing.

G. Utilization Review Internal Appeals.

You, Your designee, and, in retrospective review cases, Your Provider, may request an internal Appeal of an adverse determination, either by phone, in person, or in writing.

You have up to 180 calendar days after You receive notice of the adverse determination to file an Appeal. We will acknowledge Your request for an internal Appeal within 15 calendar days of receipt. This acknowledgment will if necessary, inform You of any additional information needed before a decision can be made. A clinical peer reviewer who is a Physician or a Health Care Professional in the same or similar specialty as the Provider who typically manages the disease or condition at issue and who is not subordinate to the clinical peer reviewer who made the initial adverse determination will perform the Appeal.

1. **Out-of-Network Service Denial.** You also have the right to Appeal the denial of a Preauthorization request for an out-of-network health service when We determine that the out-of-network health service is not materially different from an available in-network health service. A denial of an out-of-network health service is a service provided by a Non-Participating Provider, but only when the service is not available from a Participating Provider. You are not eligible for a Utilization Review Appeal if the service You request is available from a Participating Provider, even if the Non-Participating Provider has more experience in diagnosing or treating Your condition. (Such an Appeal will be treated as a Grievance.) For a Utilization Review Appeal of denial of an out-of-network health service, You or Your designee must submit:
 - A written statement from Your attending Physician, who must be a licensed, board-certified or board-eligible Physician qualified to practice in the specialty area of practice appropriate to treat Your condition, that the requested out-of-network health service is materially different from the alternate health service available from a Participating Provider that We approved to treat Your condition; and
 - Two (2) documents from the available medical and scientific evidence that the out-of-network service: 1) is likely to be more clinically beneficial to You than the alternate in-

network service; and 2) that the adverse risk of the out-of-network service would likely not be substantially increased over the in-network health service.

2. **Out-of-Network Referral Denial.** You also have the right to Appeal the denial of a request for an authorization to a Non-Participating Provider when We determine that We have a Participating Provider with the appropriate training and experience to meet Your particular health care needs who is able to provide the requested health care service. For a Utilization Review Appeal of an out-of-network referral denial, You or Your designee must submit a written statement from Your attending Physician, who must be a licensed, board-certified or board-eligible Physician qualified to practice in the specialty area of practice appropriate to treat Your condition:

- That the Participating Provider recommended by Us does not have the appropriate training and experience to meet Your particular health care needs for the health care service; and

Recommending a Non-Participating Provider with the appropriate training and experience to meet Your particular health care needs who is able to provide the requested health care service.

H. Standard Appeal.

Preauthorization Appeal. If Your Appeal relates to a Preauthorization request, We will decide the Appeal within 30 calendar days of receipt of the Appeal request. Written notice of the determination will be provided to You (or Your designee), and where appropriate, Your Provider, within two (2) business days after the determination is made, but no later than 30 calendar days after receipt of the Appeal request.

If Your Appeal relates to a retrospective claim, We will decide the Appeal within 60 calendar days of receipt of the Appeal request. Written notice of the determination will be provided to You (or Your designee), and where appropriate, Your Provider, within two (2) business days after the determination is made, but no later than 60 calendar days after receipt of the Appeal request.

Expedited Appeal. An appeal of a review of continued or extended health care services, additional services rendered in the course of continued treatment, home health care services following discharge from an inpatient Hospital admission, services in which a Provider requests an immediate review, or any other urgent matter will be handled on an expedited basis. An expedited Appeal is not available for retrospective reviews. For an expedited Appeal, Your Provider will have reasonable access to the clinical peer reviewer assigned to the Appeal within one (1) business day of receipt of the request for an Appeal. Your Provider and a clinical peer reviewer may exchange information by telephone or fax. An expedited Appeal will be determined within the earlier of 72 hours of receipt of the Appeal or two (2) business days of receipt of the information necessary to conduct the Appeal.

If You are not satisfied with the resolution of Your expedited Appeal, You may file a standard internal Appeal or an external appeal.

Our failure to render a determination of Your Appeal within 60 calendar days of receipt of the necessary information for a standard Appeal or within two (2) business days of receipt of the necessary information for an expedited Appeal will be deemed a reversal of the initial adverse determination.

I. Appeal Assistance.

SECTION XX

External Appeal

A. Your Right to an External Appeal.

In some cases, You have a right to an external appeal of a denial of coverage. If We have denied coverage on the basis that a service does not meet Our requirements for Medical Necessity (including appropriateness, health care setting, level of care or effectiveness of a Covered benefit); or is an experimental or investigational treatment (including clinical trials and treatments for rare diseases); or is an out-of-network treatment, You or Your representative may appeal that decision to an External Appeal Agent, an independent third party certified by the State to conduct these appeals.

In order for You to be eligible for an external appeal You must meet the following two requirements:

- The service, procedure, or treatment must otherwise be a Covered Service under the Certificate; and
- In general, You must have received a final adverse determination through Our internal Appeal process. But, You can file an external appeal even though You have not received a final adverse determination through Our internal Appeal process if:
 - We agree in writing to waive the internal Appeal. We are not required to agree to Your request to waive the internal Appeal; or
 - You file an external appeal at the same time as You apply for an expedited internal Appeal; or
 - We fail to adhere to Utilization Review claim processing requirements (other than a minor violation that is not likely to cause prejudice or harm to You, and We demonstrate that the violation was for good cause or due to matters beyond Our control and the violation occurred during an ongoing, good faith exchange of information between You and Us).

B. Your Right to Appeal a Determination that a Service is Not Medically Necessary.

If We have denied coverage on the basis that the service does not meet Our requirements for Medical Necessity, You may appeal to an External Appeal Agent if You meet the requirements for an external appeal in paragraph “A” above.

C. Your Right to Appeal a Determination that a Service is Experimental or Investigational.

If We have denied coverage on the basis that the service is an experimental or investigational treatment (including clinical trials and treatments for rare diseases), You must satisfy the two requirements for an external appeal in paragraph “A” above and Your attending Physician must certify that Your condition or disease is one for which:

1. Standard health services are ineffective or medically inappropriate; **or**
2. There does not exist a more beneficial standard service or procedure Covered by Us; **or**
3. There exists a clinical trial or rare disease treatment (as defined by law).

In addition, Your attending Physician must have recommended one of the following:

1. A service, procedure or treatment that two (2) documents from available medical and scientific evidence indicate is likely to be more beneficial to You than any standard Covered Service (only certain documents will be considered in support of this

recommendation – Your attending Physician should contact the State for current information as to what documents will be considered or acceptable); or

2. A clinical trial for which You are eligible (only certain clinical trials can be considered); or
3. A rare disease treatment for which Your attending Physician certifies that there is no standard treatment that is likely to be more clinically beneficial to You than the requested service, the requested service is likely to benefit You in the treatment of Your rare disease, and such benefit outweighs the risk of the service. In addition, Your attending Physician must certify that Your condition is a rare disease that is currently or was previously subject to a research study by the National Institutes of Health Rare Disease Clinical Research Network **or** that it affects fewer than 200,000 U.S. residents per year.

For purposes of this section, Your attending Physician must be a licensed, board-certified or board eligible Physician qualified to practice in the area appropriate to treat Your condition or disease. In addition, for a rare disease treatment, the attending Physician may not be Your treating Physician.

D. The External Appeal Process.

You have four (4) months from receipt of a final adverse determination or from receipt of a waiver of the internal Appeal process to file a written request for an external appeal. If You are filing an external appeal based on Our failure to adhere to claim processing requirements, You have four (4) months from such failure to file a written request for an external appeal.

We will provide an external appeal application with the final adverse determination issued through Our internal Appeal process or Our written waiver of an internal Appeal. You may also request an external appeal application from the New York State Department of Financial Services at 1-800-400-8882. Submit the completed application to the Department of Financial Services at the address indicated on the application. If You meet the criteria for an external appeal, the State will forward the request to a certified External Appeal Agent.

You can submit additional documentation with Your external appeal request. If the External Appeal Agent determines that the information You submit represents a material change from the information on which We based Our denial, the External Appeal Agent will share this information with Us in order for Us to exercise Our right to reconsider Our decision. If We choose to exercise this right, We will have three (3) business days to amend or confirm Our decision. Please note that in the case of an expedited external appeal (described below), We do not have a right to reconsider Our decision.

In general, the External Appeal Agent must make a decision within 30 days of receipt of Your completed application. The External Appeal Agent may request additional information from You, Your Physician, or Us. If the External Appeal Agent requests additional information, it will have five (5) additional business days to make its decision. The External Appeal Agent must notify You in writing of its decision within two (2) business days.

If Your attending Physician certifies that a delay in providing the service that has been denied poses an imminent or serious threat to Your health; or if Your attending Physician certifies that the standard external appeal time frame would seriously jeopardize Your life, health or ability to regain maximum function; or if You received Emergency Services and have not been discharged from a Facility and the denial concerns an admission, availability of care, or continued stay, You may request an expedited external appeal. In that case, the External Appeal Agent must make a decision within 72 hours of receipt of Your completed application.

Form #03-0001-2014

Immediately after reaching a decision, the External Appeal Agent must notify You and Us by telephone or facsimile of that decision. The External Appeal Agent must also notify You in writing of its decision.

If the External Appeal Agent overturns Our decision that a service is not Medically Necessary or approves coverage of an experimental or investigational treatment or an out-of-network treatment, We will provide coverage subject to the other terms and conditions of this Certificate. Please note that if the External Appeal Agent approves coverage of an experimental or investigational treatment that is part of a clinical trial, We will only Cover the cost of services required to provide treatment to You according to the design of the trial. We will not be responsible for the costs of investigational drugs or devices, the costs of non-health care services, the costs of managing the research, or costs that would not be Covered under this Certificate for non-investigational treatments provided in the clinical trial.

The External Appeal Agent's decision is binding on both You and Us. The External Appeal Agent's decision is admissible in any court proceeding.

E. Your Responsibilities.

It is Your responsibility to start the external appeal process. You may start the external appeal process by filing a completed application with the New York State Department of Financial Services. You may appoint a representative to assist You with Your application; however, the Department of Financial Services may contact You and request that You confirm in writing that You have appointed the representative.

Under New York State law, Your completed request for external appeal must be filed within four (4) months of either the date upon which You receive a final adverse determination, or the date upon which You receive a written waiver of any internal Appeal, or Our failure to adhere to claim processing requirements. We have no authority to extend this deadline.

SECTION XXI

Termination of Coverage

Coverage under this Certificate will automatically be terminated on the first of the following to apply:

1. Premiums are to be paid by You to Us on each Premium due date. While each Premium is due by the due date there is a grace period for each Premium payment. If the Premium payment is not received by the end of the grace period, coverage will terminate as follows:
 - a. If You fail to pay the required Premium within a 30 day grace period, coverage will terminate retroactively back to the last day for which Premiums were paid.
2. The end of the month in which the Student ceases to meet the eligibility requirements as defined by the Contractholder. We will provide written notice to the Student at least 30 days prior to when the coverage will cease.
3. Upon the Student's death, coverage will terminate unless the Student has coverage for Dependents. If the Student has coverage for Dependents, then coverage will terminate as of the last day of the month for which the Premium has been paid.
4. For Spouses in cases of divorce, the date of the divorce.
5. For Children, until the end of the month in which the Child turns 26 years of age.
6. For all other Dependents, the end of the month in which the Dependent ceases to be eligible.
7. The end of the month during which the Student provides written notice to Us requesting termination of coverage, or on such later date requested for such termination by the notice.
8. If a Student has performed an act that constitutes fraud or made an intentional misrepresentation of material fact in writing on his or her enrollment application, or in order to obtain coverage for a service, coverage will terminate immediately upon written notice of termination delivered by Us to the Student. However, if a Student makes an intentional misrepresentation of material fact in writing on his or her enrollment application, We will rescind coverage if the facts misrepresented would have led Us to refuse to issue the coverage. Rescission means that the termination of Your coverage will have a retroactive effect of up to Your enrollment under the Certificate.
9. The date that the Contractholder's Contract is terminated. If We terminate and/or decide to stop offering a particular class of group contracts, without regard to claims experience or health related status, to which this Certificate belongs, We will provide the Contractholder and Students at least 90 days' prior written notice.

10. If We elect to terminate or cease offering student accident and health insurance coverage in this state, We will provide written notice to the Contractholder and Student at least 180 days prior to when the coverage will cease.
11. The Contractholder has performed an act or practice that constitutes fraud or made an intentional misrepresentation of material fact under the terms of the coverage.
12. For such other reasons that are acceptable to the superintendent and authorized by the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191, and any later amendments or successor provisions, or by any federal regulations or rules that implement the provisions of the Act.

No termination shall prejudice the right to a claim for benefits which arose prior to such termination.

SECTION XXII

Extension of Benefits

When Your coverage under this Certificate ends, benefits stop. But if You are totally disabled on the date Your coverage under this Certificate terminates, continued benefits may be available for the treatment of the injury or sickness that is the cause of the total disability.

For purposes of this section, "total disability" means You are prevented because of injury or disease from engaging in any work or other gainful activity. Total disability for a minor means that the minor is prevented because of injury or disease from engaging in substantially all of the normal activities of a person of like age and sex who is in good health.

A. When You May Continue Benefit.

When Your coverage under this Certificate ends, We will provide benefits during a period of total disability for a Hospital stay commencing, or surgery performed, within 31 days from the date Your coverage ends. The Hospital stay or surgery must be for the treatment of the injury, sickness, or pregnancy causing the total disability.

If Your coverage ends because You are no longer a Student, We will provide benefits during a period of total disability for up to 90 days from the date Your coverage ends for Covered services to treat the injury, sickness, or pregnancy that caused the total disability, unless these services are covered under a group health plan.

B. Termination of Extension of Benefits.

Extended benefits will end on the earliest of the following:

- The date You are no longer totally disabled;
- The date the contractual benefit has been exhausted;
- 90 days from the date extended benefits began (if Your benefits are extended based on termination of Student status); or
- With respect to the 90 day extension of coverage, the date You become eligible for benefits under any other policy providing medical benefits.

C. Limits on Extended Benefits.

We will not pay extended benefits:

- For any Member who is not totally disabled on the date coverage under this Certificate ends; or
- Beyond the extent to which We would have paid benefits under this Certificate if coverage had not ended.

SECTION XXIII

Continuation of Coverage

A. Qualifying Events.

You, the Student, Your Spouse and Your Children may be able to temporarily continue coverage under this Certificate in certain situations when You would otherwise lose coverage, known as qualifying events.

1. If Your coverage ends due to the termination of Your Student status You may continue coverage. Coverage may be continued for You, Your Spouse and any of Your covered Children.
2. If You are a covered Spouse, You may continue coverage if Your coverage ends due to:
 - Termination of the Student's status as a Student;
 - Divorce or legal separation from the Student; or
 - Death of the Student.
3. If You are a covered Child, You may continue coverage if Your coverage ends due to:
 - Termination of the Student's status as a Student;
 - Loss of covered Child status under the plan rules; or
 - Death of the Student.

If You want to continue coverage, You must request continuation from Us in writing and make the first Premium payment within the 60-day period following the later of:

1. The date coverage would otherwise terminate; or
2. The date You are sent notice by first class mail of the right of continuation by the Contractholder.

Continued coverage under this section will terminate at the earliest of the following:

1. The date 90 days after the Student's coverage would have terminated because of termination of Student status;
2. If You are a covered Spouse or Child, the date 90 days after coverage would have terminated due to the death of the Student, divorce or legal separation, the Student's eligibility for Medicare, or the failure to qualify under the definition of "Children";
3. The date You become covered by an insured or uninsured arrangement that provides hospital, surgical or medical coverage;
4. The date You become entitled to Medicare;
5. The date to which Premiums are paid if You fail to make a timely payment; or
6. The date the Contract terminates. However, if the Contract is replaced with similar coverage, You have the right to become covered under the new Contract for the balance of the period remaining for Your continued coverage.

SECTION XXIV

Temporary Suspension Rights for Armed Forces' Members

If You, the Student, are a member of a reserve component of the armed forces of the United States, including the National Guard, You have the right to temporary suspension of coverage during active duty and reinstatement of coverage at the end of active duty if:

1. Your active duty is extended during a period when the president is authorized to order units of the reserve to active duty, provided that such additional active duty is at the request and for the convenience of the federal government; and
2. Your service ends during the Plan Year for which this Certificate is effective.

You must make written request to Us to have Your coverage suspended during a period of active duty. Your unearned premiums will be refunded during the period of such suspension.

Upon completion of active duty, Your coverage may be resumed as long as You:

1. Make written application to Us; and
2. Remit the premium within 60 days of the termination of active duty.

The right of resumption extends to coverage for Your Dependents. For coverage that was suspended while on active duty, coverage will be retroactive to the date on which active duty terminated.

SECTION XXV

General Provisions

1. Agreements Between Us and Participating Providers.

Any agreement between Us and Participating Providers may only be terminated by Us or the Providers. This Certificate does not require any Provider to accept a Member as a patient. We do not guarantee a Member's admission to any Participating Provider or any health benefits program.

2. Assignment.

You cannot assign any benefits under this Certificate to any person, corporation or other organization. Any assignment by You will be void. Assignment means the transfer to another person or to an organization of Your right to the services provided under this Certificate. However, You may request Us to make payment for services directly to Your Provider instead of You.

3. Changes in this Certificate.

We may unilaterally change this Certificate upon renewal, if We give the Contractholder 45 days' prior written notice.

4. Choice of Law.

This Certificate shall be governed by the laws of the State of New York.

5. Clerical Error.

Clerical error, whether by the Contractholder or Us, with respect to this Certificate, or any other documentation issued by Us in connection with this Certificate, or in keeping any record pertaining to the coverage hereunder, will not modify or invalidate coverage otherwise validly in force or continue coverage otherwise validly terminated.

6. Conformity with Law.

Any term of this Certificate which is in conflict with New York State law or with any applicable federal law that imposes additional requirements from what is required under New York State law will be amended to conform with the minimum requirements of such law.

7. Continuation of Benefit Limitations.

Some of the benefits in this Certificate may be limited to a specific number of visits, and/or subject to a Deductible. You will not be entitled to any additional benefits if Your coverage status should change during the year. For example, if Your coverage status changes from covered family member to Student, all benefits previously utilized when You were a covered family member will be applied toward Your new status as a Student.

8. Entire Agreement.

This Certificate including any endorsements, riders and the attached applications, if any, constitutes the entire Certificate.

9. Fraud and Abusive Billing.

We have processes to review claims before and after payment to detect fraud and abusive billing. Members seeking services from Non-Participating Providers could be balance billed by

the Non-Participating Provider for those services that are determined to be not payable as a result of a reasonable belief fraud or other intentional misconduct or abusive billing.

10. Furnishing Information and Audit.

All persons covered under this Certificate will promptly furnish Us with all information and records that We may require from time to time to perform Our obligations under this Certificate. You must provide Us with information over the telephone for reasons like the following: to allow Us to determine the level of care You need; so that We may certify care authorized by Your Physician; or to make decisions regarding the Medical Necessity of Your care. The Contractholder will, upon reasonable notice, make available to Us, and We may audit and make copies of, any and all records relating to enrollment at the Contractholder's New York office.

11. Identification Cards.

Identification ("ID") cards are issued by Us for identification purposes only. Possession of any identification card confers no right to services or benefits under this Certificate. To be entitled to such services or benefits, Your Premiums must be paid in full at the time the services are sought to be received.

12. Incontestability.

No statement made by the Student in an application for coverage under this Contract shall avoid the Contract or be used in any legal proceeding unless the application or an exact copy is attached to this Contract.

13. Independent Contractors.

Participating Providers are independent contractors. They are not Our agents or employees. We and Our employees are not the agent or employee of any Participating Provider. We are not liable for any claim or demand on account of damages arising out of, or in any manner connected with, any injuries alleged to be suffered by You, Your covered Spouse or Children while receiving care from any Participating Provider or in any Participating Provider's Facility.

If notice is delivered to You electronically, You may also request a copy of the notice from Us. You agree to provide Us with notice of any change of Your address. If You have to give Us any notice, it should be sent by U.S. mail, first class, postage prepaid to: Attn: CDPHP UBI; 500 Patroon Creek Blvd; Albany, NY 12206.

18. Premium Refund.

We will give any refund of Premiums, if due, to You.

19. Recovery of Overpayments.

On occasion, a payment will be made to You when You are not covered, for a service that is not covered, or which is more than is proper. When this happens, We will explain the problem to You and You must return the amount of the overpayment to Us within 60 days after receiving notification from Us. However, We shall not initiate overpayment recovery efforts more than 24 months after the original payment was made unless We have a reasonable belief of fraud or other intentional misconduct.

20. Renewal Date.

The renewal date for this Certificate is the anniversary of the effective date of the Contractholder's Certificate of each year. This Certificate will automatically renew each year on the renewal date, unless otherwise terminated by Us or the Contractholder as permitted by this Certificate, or by You upon 30 days' prior written notice to Us.

21. Reinstatement After Default.

If the Student defaults in making any payment this Contract, the subsequent acceptance of payment by Us or by one of Our authorized agents or brokers shall reinstate the Contract, but with respect to sickness and injury, only to Cover such sickness as may be first manifested more than 10 days after the date of such acceptance.

22. Right to Develop Guidelines and Administrative Rules.

We may develop or adopt standards that describe in more detail when We will or will not make payments under this Certificate. Examples of the use of the standards are to determine whether: Hospital inpatient care was Medically Necessary; surgery was Medically Necessary to treat Your illness or injury; or certain services are skilled care. Those standards will not be contrary to the descriptions in this Certificate. If You have a question about the standards that apply to a particular benefit, You may contact Us and We will explain the standards or send You a copy of the standards. We may also develop administrative rules pertaining to enrollment and other administrative matters. We shall have all the powers necessary or appropriate to enable Us to carry out Our duties in connection with the administration of this Certificate.

23. Right to Offset.

If We make a claim payment to You or on Your behalf in error or You owe Us any money, You must repay the amount You owe Us. Except as otherwise required by law, if We owe You a payment for other claims received, We have the right to subtract any amount You owe Us from any payment We owe You.

24. Severability.

The unenforceability or invalidity of any provision of this Certificate shall not affect the validity and enforceability of the remainder of this Certificate.

25. Significant Change in Circumstances.

If We are unable to arrange for Covered Services as provided under this Certificate as the result of events outside of Our control, We will make a good faith effort to make alternative arrangements. These events would include a major disaster, epidemic, the complete or partial destruction of facilities, riot, civil insurrection, disability of a significant part of Participating Providers' personnel, or similar causes. We will make reasonable attempts to arrange for Covered Services. We and Our Participating Providers will not be liable for delay, or failure to provide or arrange for Covered Services if such failure or delay is caused by such an event.

26. Subrogation and Reimbursement.

These paragraphs apply when another party (including any insurer) is, or may be found to be, responsible for Your injury, illness or other condition and We have provided benefits related to that injury, illness or condition. As permitted by applicable state law, unless preempted by federal law, We may be subrogated to all rights of recovery against any such party (including Your own insurance carrier) for the benefits We have provided to You under this Certificate. Subrogation means that We have the right, independently of You, to proceed directly against the other party to recover the benefits that We have provided.

Subject to applicable state law, unless preempted by federal law, We may have a right of reimbursement if You or anyone on Your behalf receives payment from any responsible party (including Your own insurance carrier) from any settlement, verdict or insurance proceeds, in connection with an injury, illness, or condition for which We provided benefits. Under Section 5-335 of the New York General Obligations Law, Our right of recovery does not apply when a settlement is reached between a plaintiff and defendant, unless a statutory right of reimbursement exists. The law also provides that, when entering into a settlement, it is presumed that You did not take any action against Our rights or violate any contract between You and Us. The law presumes that the settlement between You and the responsible party does not include compensation for the cost of health care services for which We provided benefits.

We request that You notify Us within 30 days of the date when any notice is given to any party, including an insurance company or attorney, of Your intention to pursue or investigate a claim to recover damages or obtain compensation due to injury, illness or condition sustained by You for which We have provided benefits. You must provide all information requested by Us or Our representatives including, but not limited to, completing and submitting any applications or other forms or statements as We may reasonably request.

27. Third Party Beneficiaries.

No third party beneficiaries are intended to be created by this Certificate and nothing in this Certificate shall confer upon any person or entity other than You or Us any right, benefit, or

Form #03-0001-2014

remedy of any nature whatsoever under or by reason of this Certificate. No other party can enforce this Certificate's provisions or seek any remedy arising out of either Our or Your performance or failure to perform any portion of this Certificate, or to bring an action or pursuit for the breach of any terms of this Certificate.

28. Time to Sue.

No action at law or in equity may be maintained against Us prior to the expiration of 60 days after written submission of a claim has been furnished to Us as required in this Certificate. You must start any lawsuit against Us under this Certificate within 3 years from the date the claim was required to be filed.

29. Translation Services.

Translation services are available under this Certificate for non-English speaking Members. Please contact Us at 1-877-261-1164 to access these services.

30. Venue for Legal Action.

If a dispute arises under this Certificate, it must be resolved in a court located in the State of New York. You agree not to start a lawsuit against Us in a court anywhere else. You also consent to New York State courts having personal jurisdiction over You. That means that, when the proper procedures for starting a lawsuit in these courts have been followed, the courts can order You to defend any action We bring against You.

31. Waiver.

The waiver by any party of any breach of any provision of this Certificate will not be construed as a waiver of any subsequent breach of the same or any other provision. The failure to exercise any right hereunder will not operate as a waiver of such right.

32. Who May Change this Certificate.

This Certificate may not be modified, amended, or changed, except in writing and signed by Our Chief Executive Officer ("CEO") or a person designated by the CEO. No employee, agent, or other person is authorized to interpret, amend, modify, or otherwise change this Certificate in a manner that expands or limits the scope of coverage, or the conditions of eligibility, enrollment, or participation, unless in writing and signed by the CEO or person designated by the CEO.

33. Who Receives Payment under this Certificate.

Payments under this Certificate for services provided by a Participating Provider will be made directly by Us to the Provider. If You receive services from a Non-Participating Provider, We reserve the right to pay either You or the Provider regardless of whether an assignment has been made.

34. Workers' Compensation Not Affected.

The coverage provided under this Certificate is not in lieu of and does not affect any requirements for coverage by workers' compensation insurance or law.

35. Your Medical Records and Reports.

In order to provide Your coverage under this Certificate, it may be necessary for Us to obtain Your medical records and information from Providers who treated You. Our actions to provide that coverage include processing Your claims, reviewing Grievances, Appeals or complaints involving Your care, and quality assurance reviews of Your care, whether based on a specific complaint or a routine audit of randomly selected cases. By accepting coverage under this

Form #03-0001-2014

Certificate, You automatically give Us or Our designee permission to obtain and use Your medical records for those purposes and You authorize each and every Provider who renders services to You to:

- Disclose all facts pertaining to Your care, treatment, and physical condition to Us or to a medical, dental, or mental health professional that We may engage to assist Us in reviewing a treatment or claim, or in connection with a complaint or quality of care review;
- Render reports pertaining to Your care, treatment, and physical condition to Us, or to a medical, dental, or mental health professional that We may engage to assist Us in reviewing a treatment or claim; and
- Permit copying of Your medical records by Us.

We agree to maintain Your medical information in accordance with state and federal confidentiality requirements. However, You automatically give Us permission to share Your information with the New York State Department of Health, quality oversight organizations, and third parties with which We contract to assist Us in administering this Certificate, so long as they also agree to maintain the information in accordance with state and federal confidentiality requirements.

36. Your Rights.

You have the right to obtain complete and current information concerning a diagnosis, treatment and prognosis from a Physician or other Provider in terms You can reasonably understand. When it is not advisable to give such information to You, the information shall be made available to an appropriate person acting on Your behalf.

You have the right to receive information from Your Physician or other Provider that You need in order to give Your informed consent prior to the start of any procedure or treatment.

You have the right to refuse treatment to the extent permitted by law and to be informed of the medical consequences of that action.

You have the right to formulate advance directives regarding Your care.
