STUDENT HEALTH CENTER
FIRST YEAR EXPERIENCE OFFICE

Dear Student,

The faculty and staff of Rensselaer Polytechnic Institute share your exceptional vision and ambition for all aspects of your life, in and out of the classroom. Your personal and professional development, and that of your peers, is the cornerstone of a partnership that will last during your years here and beyond. It is an exciting journey on which we embark together!

As always, your commitment to yourself comes with a shared commitment to the health and welfare of others. Just as you have throughout your life, you will have a special opportunity to impact the lives of your peers in positive and productive ways, and we are committed to helping you do so in any way that we can.

This is why Rensselaer Polytechnic Institute has partnered with **EverFi**, whose mission is to help students address critical life skills such as alcohol abuse prevention, sexual assault prevention and financial literacy, in high schools and higher education institutions across the country. Each year over 1,500,000 students and employees complete these courses.

As part of our comprehensive prevention efforts for new students, Rensselaer Polytechnic Institute **requires you to complete AlcoholEdu and Haven**. This online education will empower you to make well-informed decisions about issues that affect your college years and beyond.

To take the courses, you will need a computer with Internet access and audio capabilities. If you do not have access to a computer, you can use any publicly available computer with Internet access. Course directions follow this letter (on the reverse or below).

Please note the courses may include surveys to help personalize your experience and measure your attitudes and behaviors. All survey responses are confidential; the school will only receive information about the student body as a whole and will never see any individual student's answers.

Rensselaer Polytechnic Institute is deeply committed to the greatest health and welfare, and ultimate success and happiness, of all of our students. We hope you enjoy the courses!

Sincerely,

Leslie Lawrence, MD, Medical Director, Student Health Center
Janelle Fayette, Dean of First Year Experience Office

PS – be sure to complete the other Health Center requirements as well: Immunization Form and On-line Health Portal forms (including the Health Insurance enrollment/waiver form)

AlcoholEdu for College and Haven Directions
