Health Center Requirements for New Rensselaer Students

There are three main steps toward fulfilling all health center requirements for incoming new students:

1. Pre-entrance Immunization Form
2. On-line Portal Forms
3. On-line Education Programs (first-year and transfer students ONLY)

Scroll through these slides for an overview of Health Center requirements.

Final Reminders

• The Health Center will offer immunizations for all students who need vaccines (fees charged to the student insurance plan if you enroll OR to your student account). Tuberculosis test: QuantiFERON gold should be obtained (if applicable) before campus arrival.

• Insurance waivers must be submitted by **February 1st** *(you will do this enrollment/waiver process again next fall and then every fall semester for each full academic year).*

• Wait and submit your *Local Contact Information Form* until after you know your campus/local address.

• Graduate students **do not** complete the on-line education programs.

• Physical Exams are only required of **Varsity Athletes**.

• **You will be required to participate in an arrival COVID-19 test (on campus), and regular testing throughout the semester, watch for announcements.**
