Health Center Requirements for New Rensselaer Students

There are three main steps toward fulfilling all health center requirements for incoming new students:
1. Pre-entrance Immunization Form
2. On-line Portal Forms
3. On-line Education Programs (first-year and transfer students ONLY)

Scroll through these slides for an overview of Health Center requirements.

   ![E]VERFI

   - An invitation to the course site will be sent to the student RPI.edu email accounts in January.
     - Part 1 due by August 28th
     - Part 2 (active after 30-day intermission) due by September 28th

   - These courses include RPI specific information, therefore there is no exemption if you completed them at another institution.
Final Reminders

• The Health Center will offer immunization and tuberculosis testing for all students who need vaccines or tuberculosis tests (fees charged to the student insurance plan if you enroll OR to your student account) – more information about these services will be available in late summer.

• Insurance waivers must be submitted by September 1st (you will do this enrollment/waiver process again next fall and then every fall semester for each full academic year).

• Wait and submit your *Local Contact Information Form* until after you know your campus/local address.

• Graduate students *do not* complete the on-line education programs.

• Physical Exams are only required of *Varsity Athletes*.

• Watch for additional COVID-19 related requirements to be announced.
